*Applicants Name (Please Print)*

## **Physical Capabilities**

A doctor's written permission is required for you to take the agility test. This is not a physical. The Decatur Fire Department wants to make sure applicants are physically capable of:

- Bending and stretching in order to accomplish tasks of pushing, pulling, grasping carrying of objects having a weight of 50 pounds or more.
- Donning and wearing approximately 50 pounds of protective clothing and self contained breathing apparatus.
- Engages in walking, crawling, climbing, prying, chopping, and carrying scenarios.
- Occasionally dragging weights up to 150 pounds for 100 feet or more.
- Firefighters must be able to climb ladders up to 102 feet.
- Withstand periods of overheating and chilling, often times in wet clothing.
